

Northern Alberta Transportation Council

Season's Greetings!

Once again, the Northern Alberta Transportation Council (NATC) is hosting its annual Christmas lunch and silent auction. This year's event will be in support of the lunch program at **Queen Alexandra School** in Edmonton. Queen Alexandra is a south side school with many students from disadvantaged situations. As is the case with past auction recipients, many of the students at the school come without a meal at lunch, prompting the teachers to start their own program to ensure these children receive at least one good meal a day. We are looking for the NATC members help and support in providing **silent auction items** to support this great cause in our city? It will make a big difference to Queen Alexandra's students.

The **deadline for donating auction items is Wednesday December 9, 2009**. We would be happy to pick items up to make it more convenient for you. If you would like to contribute, or if you have any questions, **please contact Patti Dunlop at pdunlop@edmontonairports.com or by phone at 780-890-6775.**

Most importantly, please join us for lunch to further support these children:

Date: **December 11, 2009**

Time: **11:30 am – 1:30 pm**

Cost: **\$32 for NATC members; \$36 for non-members**

Location: **Royal Glenora Club**

Cash bar

The Northern Alberta Transportation Council (NATC) brings transportation industry representatives together to have a clear voice for Edmonton-north. The NATC is focused on representing supply chains in Northern Alberta and increasing the transparency throughout the industry. The Council has members representing various industry sectors including oil, agriculture, production and transportation.
